Multiple Paths to Liquidity — Premium Tequila Is Highly Acquirable

Strategic Acquisition

Diageo paid \$1B for Casamigos (2017). Brown-Forman acquired brands at 3–5× revenue. Premium tequila continues attracting major spirits group acquisitions.

5×–15× Revenue Multiple

Private Equity Recap

PE firms specializing in spirits (Constellation, Pernod, Suntory) actively seeking proven brands with distribution infrastructure. Target: \$50M–\$200M enterprise value.

3×–8× EBITDA Multiple

Brand Portfolio Roll-Up

Don Azul becomes anchor brand in a multi-SKU spirits portfolio — Blanco, Reposado, Añejo, Reserva, plus potential mezcal extension under the same production network.

Platform Valuation Premium

International Licensing

Duty Free of Americas, cruise lines (Royal Caribbean, Norwegian), and European import partnerships established. License brand to regional operators for royalty income.

Recurring Royalty Revenue

READY TO INVEST IN

THE NEXT PREMIUM TEQUILA BRAND?

Mexausa Food Group, Inc. is seeking \$5M-\$10M in growth capital to launch Don Azul Tequila into the California and national U.S. market with a vetted Jalisco manufacturer and full product line.
