MEXAUSA FOOD GROUP, INC.

Truck and Trailer Parts Catalog

108 heavy-duty parts. Request a quote, we confirm fit for your truck or trailer.

How to order

Email the catalog numbers and quantities you need, along with the make, model and year of the truck or trailer, to:

saul@mexausafg.com

mexausafg.com

Mexausa Food Group, Inc. is the only contact for pricing, availability and delivery. Every item in this catalog is quoted on request.

Ordering is simple

1

Find your parts

Browse the 13 sections. Every item has a catalog number from MFG-0001 to MFG-0108.

2

Send us your list

Email saul@mexausafg.com with the catalog numbers and how many of each you need.

3

Tell us the truck or trailer

Include make, model, year and, if you have it, the VIN. We confirm fit before we quote.

4

Get your quote

We reply with price, availability and delivery. Nothing ships until you approve.

Good to know

Photographs are representative of the type of part. Your quote confirms the exact part number for your application.

Prices, stock and lead times are not listed in this catalog. We quote each order.

What is in this catalog

Brake drums, discs and shoes	MFG-0001 to MFG-0016	**Page 4**
Brake chambers and adjusters	MFG-0017 to MFG-0024	**Page 8**
Air brake system	MFG-0025 to MFG-0034	**Page 10**
Hoses and fittings	MFG-0035 to MFG-0043	**Page 12**
Fuel system	MFG-0044 to MFG-0050	**Page 14**
Belts and tensioners	MFG-0051 to MFG-0056	**Page 16**
Wheel ends and bearings	MFG-0057 to MFG-0066	**Page 18**
Suspension	MFG-0067 to MFG-0074	**Page 20**
Trailer and coupling	MFG-0075 to MFG-0081	**Page 22**
Driveline	MFG-0082 to MFG-0085	**Page 24**
Cooling and filters	MFG-0086 to MFG-0092	**Page 25**
Electrical and lighting	MFG-0093 to MFG-0098	**Page 27**
Tapered roller bearing sets	MFG-0099 to MFG-0108	**Page 28**

MFG-0001 BRAKE DRUMS, DISCS AND SHOES

Standard brake drums

Heavy-duty drums that the brake shoes press against to stop the wheel.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0002 BRAKE DRUMS, DISCS AND SHOES

Balanced brake drums

Drums machined to run smooth and true, which reduces vibration while braking.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0003 BRAKE DRUMS, DISCS AND SHOES

Heavy-duty cast brake drums

Thick cast drums built for heavy loads and long service on hard-working trucks.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0004 BRAKE DRUMS, DISCS AND SHOES

Trailer brake drums

Brake drums for trailer axles.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0005 BRAKE DRUMS, DISCS AND SHOES

Air disc brake rotors

Steel discs that the brake pads clamp on trucks with air disc brakes.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0006 BRAKE DRUMS, DISCS AND SHOES

Air disc brake pads

Friction pads that press on the rotor to slow the wheel.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0007 BRAKE DRUMS, DISCS AND SHOES

Disc brake calipers

The housing that squeezes the pads against the rotor when you brake.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0008 BRAKE DRUMS, DISCS AND SHOES

Caliper carriers

The bracket that holds the caliper in position on the axle.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0009 BRAKE DRUMS, DISCS AND SHOES

Caliper repair kits

Seals, boots and small parts to rebuild a caliper.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0010 BRAKE DRUMS, DISCS AND SHOES

Brake wear sensors

Sensors that signal when brake pads are getting thin.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0011 BRAKE DRUMS, DISCS AND SHOES

Brake shoe assemblies

Complete shoes, lining already attached, ready to install.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0012 BRAKE DRUMS, DISCS AND SHOES

Brake shoe lining kits

Lining and fasteners to reline brake shoes.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0013 BRAKE DRUMS, DISCS AND SHOES

Brake friction blocks

Friction blocks that make contact with the drum to stop the truck.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0014 BRAKE DRUMS, DISCS AND SHOES

Brake shoe hardware kits

Springs, pins and clips that hold the brake shoes in place.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0015 BRAKE DRUMS, DISCS AND SHOES

Brake return springs

Springs that pull the brake shoes back when you let off the pedal.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0016 BRAKE DRUMS, DISCS AND SHOES

Brake rollers

Rollers that guide the shoes against the brake cam.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0017 BRAKE CHAMBERS AND ADJUSTERS

Service brake chambers

Air-powered chambers that push the brake when you press the pedal.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0018 BRAKE CHAMBERS AND ADJUSTERS

Spring brake chambers

Combination chambers that also hold the truck still when parked.

Request a quote. We will confirm fit for your truck or trailer.

Representative photo

MFG-0019 BRAKE CHAMBERS AND ADJUSTERS

Automatic slack adjusters

Adjusts the brake automatically as the lining wears.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0020 BRAKE CHAMBERS AND ADJUSTERS

Manual slack adjusters

Adjusts the brake by hand as the lining wears.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0021 BRAKE CHAMBERS AND ADJUSTERS

S-cam shafts

The cam shaft that spreads the brake shoes apart.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0022 BRAKE CHAMBERS AND ADJUSTERS

S-cam bushings

Bushings that let the brake cam shaft turn smoothly.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0023 BRAKE CHAMBERS AND ADJUSTERS

Brake spiders

The mounting plate that holds the brake shoes at the axle.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0024 BRAKE CHAMBERS AND ADJUSTERS

Brake adjuster clevis kits

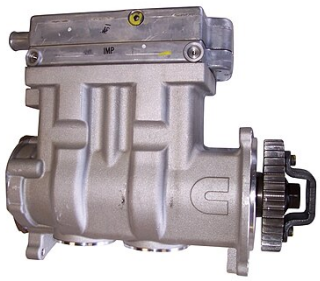

Clevis and pin kits that connect the brake chamber to the slack adjuster.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0025 AIR BRAKE SYSTEM

Air compressors

Makes the compressed air that runs the truck's air brakes.

Representative photo

Request a quote. We will confirm fit for your truck or trailer.

MFG-0026 AIR BRAKE SYSTEM

Air dryers

Removes moisture from the air system to protect the brakes.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0027 AIR BRAKE SYSTEM

Air dryer cartridges

Replacement cartridges that keep the air dryer working.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0028 AIR BRAKE SYSTEM

Air governors

Controls when the air compressor starts and stops.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0029 AIR BRAKE SYSTEM

Relay valves

Speeds up air flow to the brakes so they apply quickly.

Request a quote. We will confirm fit for your truck or trailer.

Representative photo

MFG-0030 AIR BRAKE SYSTEM

Foot valves

The brake pedal valve that sends air to the brakes.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0031 AIR BRAKE SYSTEM

Quick-release valves

Lets air escape fast so the brakes release quickly.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0032 AIR BRAKE SYSTEM

ABS modulators

The ABS valve that controls air pressure to each brake.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0033 AIR BRAKE SYSTEM

Air reservoirs

Tanks that store compressed air for the brakes.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0034 AIR BRAKE SYSTEM

Gladhand couplings

Couplings that connect the truck's air lines to the trailer.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0035 HOSES AND FITTINGS

Air brake hose assemblies

Ready-made air hoses with the fittings already attached.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0036 HOSES AND FITTINGS

DOT nylon air brake tubing

Nylon tubing for air brake lines that meets DOT standards.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0037 HOSES AND FITTINGS

Hydraulic brake hoses

Flexible hoses for hydraulic brake lines.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0038 HOSES AND FITTINGS

Fuel hoses

Hoses that carry diesel fuel to the engine.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0039 HOSES AND FITTINGS

Coolant hoses

Hoses that carry coolant between the engine and radiator.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0040 HOSES AND FITTINGS

Air line fittings

Fittings for connecting air lines.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0041 HOSES AND FITTINGS

Compression fittings

Fittings that seal tubing with a compression nut.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0042 HOSES AND FITTINGS

Push-to-connect fittings

Fittings that connect tubing by pushing it in, no tools needed.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0043 HOSES AND FITTINGS

Hose clamps

Clamps that hold hoses tight on their fittings.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0044 FUEL SYSTEM

Fuel supply lines

Lines that carry fuel from the tank to the engine.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0045 FUEL SYSTEM

Fuel return lines

Lines that carry unused fuel back to the tank.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0046 FUEL SYSTEM

Fuel filters

Remove dirt from fuel before it reaches the engine.

Request a quote. We will confirm fit for your truck or trailer.

Representative photo

MFG-0047 FUEL SYSTEM

Fuel-water separators

Remove water and dirt from diesel fuel.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0048 FUEL SYSTEM

Fuel line connectors

Connectors for joining fuel lines.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0049 FUEL SYSTEM

Fuel transfer pumps

Pumps that move fuel from the tank toward the engine.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0050 FUEL SYSTEM

Fuel tank straps

Straps that hold the fuel tank to the frame.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0051 BELTS AND TENSIONERS

Serpentine belts

One long belt that drives several engine accessories.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0052 BELTS AND TENSIONERS

V-belts

Classic belts that drive pumps, fans and alternators.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0053 BELTS AND TENSIONERS

Belt tensioners

Keeps the right tension on the drive belt.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0054 BELTS AND TENSIONERS

Idler pulleys

Pulleys that guide the drive belt.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0055 BELTS AND TENSIONERS

Fan belts

Belts that turn the engine cooling fan.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0056 BELTS AND TENSIONERS

Belt tensioner assemblies

Complete tensioner units, ready to bolt on.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0057 WHEEL ENDS AND BEARINGS

Tapered roller bearing sets

Matched bearing sets that carry the wheel on the axle.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0058 WHEEL ENDS AND BEARINGS

Wheel bearing cups

The outer ring of a wheel bearing.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0059 WHEEL ENDS AND BEARINGS

Wheel bearing cones

The inner part of a wheel bearing that holds the rollers.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0060 WHEEL ENDS AND BEARINGS

Wheel seals

Seals that keep grease in and dirt out of the wheel end.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0061 WHEEL ENDS AND BEARINGS

Wheel hubs

The hub that the wheel bolts to.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0062 WHEEL ENDS AND BEARINGS

Hub caps

Covers that protect the wheel end and keep grease in.

Request a quote. We will confirm fit for your truck or trailer.

Representative photo

MFG-0063 WHEEL ENDS AND BEARINGS

Spindle nuts

Nuts that hold the wheel bearings on the axle.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0064 WHEEL ENDS AND BEARINGS

Wheel studs

Studs that hold the wheel onto the hub.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0065 WHEEL ENDS AND BEARINGS

Wheel nuts

Nuts that clamp the wheel to the hub.

Request a quote. We will confirm fit for your truck or trailer.

Representative photo

MFG-0066 WHEEL ENDS AND BEARINGS

ABS tone rings

Toothed rings that let the ABS read wheel speed.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0067 SUSPENSION

Air springs

Air-filled springs that carry the load and smooth the ride.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0068 SUSPENSION

Shock absorbers

Dampen bounce and keep the ride under control.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0069 SUSPENSION

Torque rods

Rods that locate the axle on the suspension.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0070 SUSPENSION

Suspension bushings

Rubber and poly bushings that cushion suspension joints.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0071 SUSPENSION

Spring hangers

Brackets that attach the springs to the frame.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0072 SUSPENSION

Leaf springs

Steel springs that carry the load.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0073 SUSPENSION

Equalizers

Parts that share the load between the two rear axles.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0074 SUSPENSION

U-bolts

Bolts that hold the axle to the springs.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0075 TRAILER AND COUPLING

Landing gear assemblies

Support legs that hold up the trailer when parked.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0076 TRAILER AND COUPLING

Fifth-wheel components

Parts for the coupling plate on the tractor that hauls the trailer.

Request a quote. We will confirm fit for your truck or trailer.

Representative photo

MFG-0077 TRAILER AND COUPLING

Kingpins

The pin under the trailer that locks into the fifth wheel.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0078 TRAILER AND COUPLING

Pintle hooks

Towing hooks for pulling trailers.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0079 TRAILER AND COUPLING

Couplers

Couplers that connect a trailer to the truck.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0080 TRAILER AND COUPLING

Trailer axle components

Parts for trailer axles.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0081 TRAILER AND COUPLING

Trailer suspension kits

Kits to rebuild or replace the trailer suspension.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0082 DRIVELINE

Universal joints

Joints that let the driveshaft turn at an angle.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0083 DRIVELINE

Driveshaft center support bearings

Bearings that support the middle of a long driveshaft.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0084 DRIVELINE

Yokes

Fittings that connect the driveshaft to the transmission or axle.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0085 DRIVELINE

Driveline components

Parts for the shaft that carries power to the axle.

Request a quote. We will confirm fit for your truck or trailer.

Representative photo

MFG-0086 COOLING AND FILTERS

Radiator hoses

Hoses that carry coolant to and from the radiator.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0087 COOLING AND FILTERS

Water pumps

Circulate coolant through the engine.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0088 COOLING AND FILTERS

Thermostats

Regulate engine temperature by controlling coolant flow.

Request a quote. We will confirm fit for your truck or trailer.

Representative photo

MFG-0089 COOLING AND FILTERS

Cooling fans

Fans that pull air through the radiator.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0090 COOLING AND FILTERS

Coolant reservoirs

Tanks that hold extra coolant.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0091 COOLING AND FILTERS

Oil filters

Remove dirt from engine oil.

Request a quote. We will confirm fit for your truck or trailer.

Representative photo

MFG-0092 COOLING AND FILTERS

Air filters

Keep dust out of the engine air intake.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0093 ELECTRICAL AND LIGHTING

Wheel speed sensors

Sensors that tell the ABS how fast each wheel is turning.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0094 ELECTRICAL AND LIGHTING

ABS wiring harnesses

Wiring harnesses that connect the ABS parts.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0095 ELECTRICAL AND LIGHTING

Trailer electrical connectors

Connectors that join truck and trailer wiring.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0096 ELECTRICAL AND LIGHTING

LED marker lamps

Marker lamps that show the size of the trailer at night.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0097 ELECTRICAL AND LIGHTING

Stop/turn/tail lamps

Lamps that show braking and turning to traffic behind.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0098 ELECTRICAL AND LIGHTING

Electrical pigtails

Wiring pigtails for quick electrical repairs.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0099 TAPERED ROLLER BEARING SETS

Tapered roller bearing set (SET401)

Matched wheel bearing set.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0100 TAPERED ROLLER BEARING SETS

Tapered roller bearing set (SET406)

Matched wheel bearing set.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0101 TAPERED ROLLER BEARING SETS

Tapered roller bearing set (SET408)

Matched wheel bearing set.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0102 TAPERED ROLLER BEARING SETS

Tapered roller bearing set (SET411)

Matched wheel bearing set.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0103 TAPERED ROLLER BEARING SETS

Tapered roller bearing set (SET412)

Matched wheel bearing set.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0104 TAPERED ROLLER BEARING SETS

Tapered roller bearing set (SET413)

Matched wheel bearing set.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0105 TAPERED ROLLER BEARING SETS

Tapered roller bearing set (SET414)

Matched wheel bearing set.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0106 TAPERED ROLLER BEARING SETS

Tapered roller bearing set (SET415)

Matched wheel bearing set.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0107 TAPERED ROLLER BEARING SETS

Tapered roller bearing set (SET423)

Matched wheel bearing set.

Request a quote. We will confirm fit for your truck or trailer.

MFG-0108 TAPERED ROLLER BEARING SETS

Tapered roller bearing set (SET424)

Matched wheel bearing set.

Request a quote. We will confirm fit for your truck or trailer.
